

UNITED AIRLINES MAINTENANCE CONTROLLERS NEGOTIATIONS UPDATE – 04/05/2021

Dear Members,

Since the last report the IBT has been pressing to meet with the company. The dynamics are starting to change, favorably for our side, and it is time to resume and finish these negotiations.

It was relayed to us that senior management has been informing you that the union was delaying the process. That is not true. If a meeting is not set this week, the IBT will reach out to the Mediator to request his intervention.

We know the market rates, they've remained the same through the pandemic, and it's time to conclude this negotiation.

In Solidarity,

The Negotiating Committee

Paul McCormick, Dan Morrissey, Hernan Gomez, Bob Fisher, Kyle Schoembs, and Paul Alves
