

# UNITED AIRLINES TEAMSTERS

## BUTTON SOLIDARITY DAY

Let's support each other on **AUGUST 19!**

Every day, we show up and work hard to keep America moving efficiently and safely. **It's because of us that flying is the safest form of transportation in the country.** As contract negotiations continue with United Airlines, it's time for Teamsters to remind management of our value. **We need to show the company that we will not back down from getting a fair contract,** including our demands of:

- ✓ Industry-leading compensation
- ✓ Improved wage progression
- ✓ More affordable health care
- ✓ Increased safety standards at work

It's time tell the company that we're the best and we deserve the best contract. **Stand in solidarity** with your United Airlines Teamsters across the country on **Monday, August 19**, and wear a United Airlines Teamsters button on your uniform at work.

Contact your shop steward or business agent to get a button or for more information.

**Stay engaged. Stay informed.**
