Teamsters Aviation Technicians Demand Airline Stop Delays, Outsourcing Threats

(LOS ANGELES) – United Airlines technicians represented by Teamsters Local 986 will rally tomorrow outside Los Angeles International Airport. The rally is part of a national effort by 10,000 aviation technicians who are seeking a fair contract from the world's second-largest airline.

United Airlines Teamsters are demanding top-tier wages, a faster wage progression for new hires, and ironclad protections against the outsourcing of critical maintenance work.
